10. I'm going to stay at home tonight.

G. Read the text and pick the right choice to make it coherent.

Dear Aunt Mara,

Thanks for your message. I (1) apology / 'm apologising for not getting back to you sooner, but I’ve been incredibly busy. When I went into nursing, you warned me that it would be really hard work, but I (2) admit / 'm admitting that I didn’t really believe you. Don’t get me wrong – I (3) don't suggest / 'm not suggesting that I’m not enjoying it. It’s incredibly rewarding, but I (4) now realise / 'm now realising how hard the job is.

When I get home I just eat (not very well, I (5) confess / 'm confessing) and go straight to bed. It doesn’t help that the bus journey to the hospital is so slow. I (6) consider / 'm considering buying a car, which will make things easier, I hope. And what about you? How (7) do you find / are you finding living in a village after so many years in the city? I (8) know / 'm knowing how difficult it is for you to travel such a long way, but it would be lovely if you could come and stay with me for a weekend. I’ve got plenty of room in my flat. I (9) don’t guarantee / 'm not guaranteeing to cook as well as you do, but I (10) promise / 'm promising to find time to show you around this lovely old town. Hope to see you soon. Keep in touch.

Love,

Martina
H. You are planning your next family vacations. Write a well-constructed paragraph with all the steps you are going to follow before the trip, activities you are going to enjoy, food you are going to eat, places you are going to visit and any other additional information you might want to share. (Min. 100 words)
